

MARK

Like I spent all night in the emergency room?

FELIPE

Just saying.

MARK

I was trying to have a moment. Never mind.

MARK takes his shirt off and throws it in the closet.

When he turns, FELIPE notices bright red scratches across MARK's back.

FELIPE

Mark! What happened to your back?

MARK

What?

FELIPE

You have these scratches - oh my god, they look bad. Did you fall?

MARK

No. I didn't leave the house yesterday.

FELIPE

Mark, what the hell? Why didn't you tell me you were hurt?

MARK

I didn't know.

MARK rushes to the bathroom. FELIPE stands in quiet frustration.

MARK

Oh my god.

FELIPE

We need to...are you cheating?

MARK

No.

FELIPE

Those aren't sex scra-

MARK

No. Babe. I don't know where I got them. I'm actually scared.

FELIPE

Okay.

Beat.

FELIPE

Are you drinking?

MARK

No.

FELIPE

Just tell me.

MARK

Fil. I'm not drinking. I've been thinking about it a lot. But I have not. And it's been really hard. But I am not drinking.

Beat.

FELIPE

I want to believe you.

MARK

But you don't.

FELIPE

Yesterday, Tony mentioned a couple things.

MARK

Like?

FELIPE

Neighbors are complaining about loud noise? Weird smells?

MARK

No one's told me anything.

FELIPE

I'm not here. What's going on?

Beat.
