

What a bitch, man.

FERRET

MARK doesn't startle. He doesn't turn.

MARK

Leave me alone.

FERRET

Nah dude. You sat in that emergency room all night for him. And he's coming in saying you're drunk. Fuck dude. I'd need a drink after that.

MARK

I said leave me alone.

FERRET

I'm on your side.

Beat.

FERRET

So what do you mean you feel like someone's watching you?

Beat.

FERRET

Who's watching you?

Beat.

FERRET

Me?

MARK

Yes.

Beat.

FERRET

Come on, dude. It's supposed to be a secret.

MARK

Shut the fuck up.

FERRET

Our little secret.
